TOURS AND ACTIVITIES
Gentle, alluring Dijon, one of the 13 regional capitals of France, is reaping the benefits of its double recognition by UNESCO. Boasting one of the largest historical preservation sectors in the country, Dijon is fully integrated in the perimeters of the Climats of the Vineyards of Burgundy, inscribed as a UNESCO World Heritage Site since July 2015. Coupled with this achievement, the International City of Gastronomy and Wine, expected to open in 2019, will naturally promote the “French Meal”, also enlisted as UNESCO Intangible World Heritage of Humanity since November 2010. Dijon will play a key role in the major, worldwide program regarding taste, nutrition, health, gastronomy, wine, the art of good living and culture.

During this tour you will be introduced to many illustrious endearing or interesting personalities who have contributed in some way to the rich history of Dijon.
Listen to the controversial tales about our beloved Owl; learn about the roofless house... Dijon is brimming with stories and scoops, some of which are historically grounded, others more of urban legend. Whether woven or true, the tales of Dijon, past and present, will surprise you.

Contrary to the noise and bustle of daytime, a night-time tour of Dijon casts a different light on the historic centre. Admire the beautifully lit monuments while meandering the charming streets surrounding the ancient residence of the Dukes of Burgundy.

An abundance of amusing anecdotes and spicy stories!

An atypical tour spotlighting the historical monuments!
Discover exceptional, hidden corners among the boutiques of Dijon that hoard treasures, not only in reference to the items they sell but to the places themselves.

We have devised an itinerary around surprising, original shops and stores of the city center.

Vineyard tours
From a start point in Dijon, this half-day program by private van will direct you through famed villages along the Grand Cru Route of the Côte de Nuits. You will learn about the ancestral savoir-faire of cultivating the vines and the different parcels, locally known as climats composing the vineyards of Burgundy. Plus you will be able to taste appellations of the Côte d’Or accompanied by a plate of fine local cheeses.

Come compare the terroirs of Burgundy through wine tastings in two separate estates. An initiation to tasting wines makes a good introduction. We will weave through the Côte-de-Nuits where some of the most prestigious wines of the world are produced in villages such as Gevrey Chambertin.
