

International Students who would like to study at the University of Burgundy: applications handled by other services of the University of Burgundy

The International Office of the University of Burgundy does not handle all admissions of international students or French students who would like to register at the University of Burgundy, with a foreign certificate, to study a Full-Time degree. If you are part of one of the groups noted below, we would like to invite you to contact the representative concerning the correct procedure for your admission.

Applicants who are not part of the International Office application procedures:

- Applicants who have already obtained a degree from the University of Burgundy: Contact the administrative office of the study programme you want to enrol in so that you can find out more information on the admissions procedure. You can find necessary contacts on the website [Formations](#). The contacts of all administrative offices of all faculties are also available at student website [uB link](#).
- International applicants with a French education certificate (bac français) and who would like to enrol into first year of bachelor studies: you need to apply via the [Admission Post-Bac \(APB\)](#) website between 20th January to 20th March 2017.
- French applicants with a foreign certificate: you should contact the administrative office [Pôle Formation et Vie Universitaire](#) of the University of Burgundy so that you can find out more about the procedure of validating your foreign certificates (validation d'acquis).
- Applicants who would like to register to the Technology Institute (Instituts universitaires de technologie - IUT): please visit the website of IUT and contact their administrative staff to find out more about the applications procedure.
