

International students who would like to study at the University of Burgundy: applications managed by other uB services

The University of Burgundy's International Office does not manage all international student admissions. We also do not handle all applications for French students who have a foreign degree. If you belong to one of the groups listed below, please contact the responsible person for the correct admission procedure.

You do not need to apply through the International Office if:

- You already have a University of Burgundy degree. Please contact the administrative office for the study programme in which you would like to enrol. They will be able to give you more information about the admissions procedure. You will find all contact details on the website [Formations](#). You can also find all contact details on the student website [uB-link](#).
- You are an international student with a French baccalaureate and would like to enrol as a first year bachelor student. You need to apply via the website [Parcoursup](#) between 22nd January and the 13th March 2018.
- You are a French applicant with a foreign degree or bac. You should contact the administrative office "[Pôle Formation et Vie Universitaire](#)" of the University of Burgundy so that you can find out more about the procedure of validating your foreign certificates (validation d'acquis).
- You would like to register at the Technology Institute (Institut universitaire de technologie - IUT). Please visit IUT's website and contact their administrative staff to find out more about the applications procedure.
