

University of Burgundy

France

Greetings from Burgundy-Franche-Comté...

Burgundy, a great place to live and study

- An important region in France and Europe
- One of France's main wine producing areas

Dijon, capital of the Dukes of Burgundy

- Where history and modernity unite
- UNESCO Heritage Status
- International City of Gastronomy and Wine
- A great place to live and study: safe, calm and green city

Key figures and history of the uB

- Created in 1722
- Creation of the Dijon campus in 1957
- 30,000 students amongst whom 2,300 are international students
- 1,000 PhD students amongst whom 350 are international students
- 6,400 employees: administrative staff, teaching staff, researchers...
- 2015: uB became part of the Community of the University Burgundy Franche-Comté with 55,000 students
- 400 degrees
- 27 research units
- 226 € million budget for 2017
- 130 student associations
- More than 50 free sports activities
- University's medical centre
- Service for disabled students
- Nursery

Dijon campus, the main and original campus

- A large and green campus in the city
- The best conditions to study
- A great place to enjoy the student way of life

Dijon Campus

- Central administrative building
- Majority of faculties
- Research labs
- Libraries
- Radio Campus
- International house
- Cultural centre Atheneum
- Mansart theatre
- Language centres
- Medical centre
- Sport centre
- Student house
- Student centre
- Students' associations
- Accommodation, restaurants, cafeterias

The other five uB campuses

- Le Creusot Campus
- Nevers Campus
- Auxerre Campus
- Chalon-sur-Saône Campus
- Mâcon Campus

Education at uB

A multidisciplinary education from Bachelor to Master and PhD

- Initial education
- Distance learning
- Continuing education and training
- Summer school on Winemaking culture
- MOOCs : [Open Wine University](#) and [Digital Culture and Writing](#)

→ [Programmes taught in French](#)

→ [Programmes taught in English](#)

8 faculties

- Sciences and Technology
- Life, Earth and Environmental Sciences
- Health Sciences
- Arts and Philosophy
- Languages and Communication
- Humanities
- Law, Economics and Political Science
- Sports

5 institutes

- Jules Guyot Institute of Vine and Wine Sciences
- Institute for Automotive and Sustainable Development
- 3 undergraduate institutes:
 - IUT Dijon-Auxerre
 - IUT de Chalon-sur-Saône
 - IUT du Creusot

3 schools

- School of Teacher Education
- School of Materials Research and Engineering
- School of Management

6 doctoral schools

- Carnot Pasteur
- Health environment
- Engineering Sciences and Microtechnology
- Literature, Communication, Languages, Arts
- Law, Management, Economics and Politics
- Societies, Space, Practices, Time

Our English taught programmes

BACHELOR LEVEL

- International trade and export management specific university degree
- Computer vision

MASTER LEVEL

- Vision and robotics
- Automotive engineering for sustainable mobility
- Business studies
- Intercultural management
- Advanced electronic systems engineering
- Molecular chemistry and metals for health and sustainable development
- Control and durability of materials

MASTER DEGREES DEVELOPED IN THE FRAME OF COMMUNITY OF THE UNIVERSITY BURGUNDY FRANCHE-COMTÉ ([UBFC](#))

- Physics, photonics, nanotechnology
- Mathematical physics
- Behavioral ecology and wildlife management
- Ecology, monitoring and management of ecosystems
- Physiological and psychological FOOD choices determinants
- Microbiology and physicochemistry for food and wine processes

MASTER DEGREE DEVELOPED WITH THE UNIVERSITY OF FRANCHE-COMTÉ ([UFC](#))

- LipTherapl

Learning French at uB

International centre for French studies ([CIEF](#))

- Semester courses
- Intensive academic year long courses
- Intensive summer courses
- Trips in Burgundy, France and Europe

Learning other languages

Language centre

- Evening courses
- Self-training
- Presence of native tutors
- Arabic, Chinese, Czech, English, Finnish, French, German, Italian, Japanese, Polish, Portuguese, Russian, Spanish, Sign Language

Study at the uB

Degree seeking students

- A good level of French is required for French taught programmes: C1 for study programs in Law, Economics, Administration and Life, Earth and Environmental Sciences; B2 for all other fields of study
- Language diploma required: TCF, DELF or DALF
- Application procedure: between November and April

Exchange students

- Application deadline: 15th November for summer semester, 15th May for winter semester and whole year students
- Students can apply for a room in student residences

→ Detailed information can be found at the [Admission website](#).

Student residences on campus

- Basic room: from 160 euros/month
- Comfort room: from 245 euros/month
- Studio: from 320 euros/month
- Apartments: from 245 euros/month (18m²) to 845 euros/month (60m²)
- Rooms, studios and apartments suitable for people with reduced mobility

→ Possibility to obtain the State's financial aid for housing

Research

- 27 research units
- 85 million € dedicated to research activity, including salary mass
- 1, 000 PhD students in 6 doctoral schools
- Research activity in connection with the city
- Experimentarium, European Researcher's Night: science for everybody
- International house: high-quality housing for researchers

Areas of excellence

- Food and environment
- Photonic and advanced materials
- Molecular engineering and health
- Learning and care
- Heritage and territories
- Vine and wine

Wine culture and tradition: a key topic at uB

- A dedicated teaching structure providing French degrees in Oenology
- Wine experimentation and production in our own AOC (protected designation of origin) vineyard
- Cross-sectional research on wine
- Officially recognized as the only UNESCO Chair “Culture and traditions of wine”

International cooperation: a fundamental part of uB

More than 330 partnerships worldwide

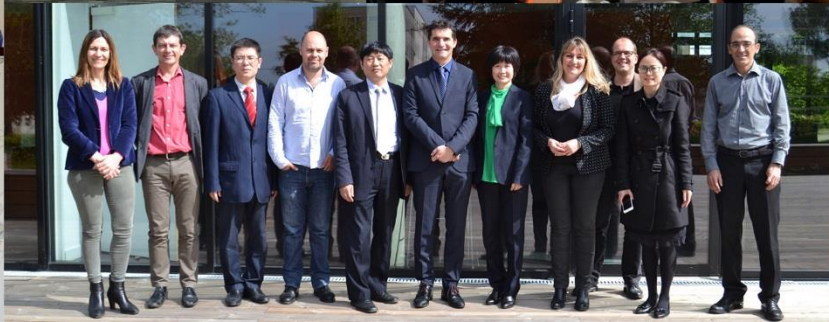

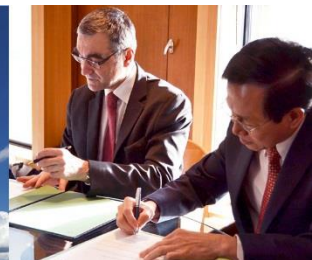

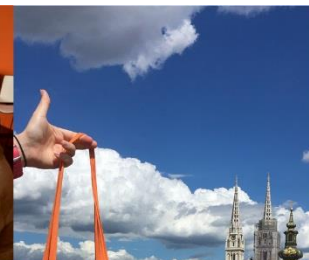

- Student and staff mobility
- Joint degrees
- Research cooperation

Two main geographical areas:

- Central Europe
- Asia

Specific services to foster integration and success

- Single registration on campus for all administrative issues
- Tutoring by French graduates
- Mobility centre for international researchers
- Integration days for international students
- International week
- Intercultural events organized during the academic year at the language centre

Integration days for international students

- French breakfast
- Presentation about uB and it's available courses
- Tutoring sessions with graduate students
- Lunch in one of the student restaurants
- Guided visit of the campus
- Welcome ceremony at the City hall
- Guided tour of the city centre
- Festive evening
